

Equipment	ULT-3800
Continuous power	3500 W
Starting power	3800 W
Start	Manual/ automatic with remote control
Sound power level at 7 meters	60 dB
Weight	32 kg
Fuel tank capacity	5,8 L
Emission class	Euro 5
Engine	OHV
Number of phases	1
Input sockets	2x230V/1x12V

Information

- Ultralight and mobile generator
- Very low noise level
- AVR - stable, high-quality energy
- Perfect for service work, technical support, and events
- Safe for sensitive electronics
- Made in France
- Automatic start with remote control from 8 meters
